

200AS EGG WASHER

Features

- ◆ Made of strong stainless steel for great durability and hygiene.
- ◆ Includes ramp loading, candling, sanitizer sprayer, washing, drying and a manual collection table with a capacity of 2000 eggs/hour.
- ◆ The sanitizer sprayer sprays sanitizer or detergent (customer provides) onto eggs automatically for food security purpose. The eggs are cleaned by brushes with warm water (customer provides water heater).
- ◆ Ideal for free ranged egg farms and meets the egg cleaning requirements.
- ◆ Only 2 workers are required (one for loading & candling and the other for packing).
- ◆ Has a compact structure and occupies minimal space.
