

**400H  
INK CARTRIDGE**

## Features

- ◆ ZENYER 400H ink cartridge is disposable and can't be refilled.
- ◆ One ink cartridge can print approximately 100,000 messages before running out, this number depends on the printing message, the size, and the amount of letters printed.
- ◆ Certificated ink.

1. Take a cartridge from the package.

2. Remove respirator (the respirator is only for transport).

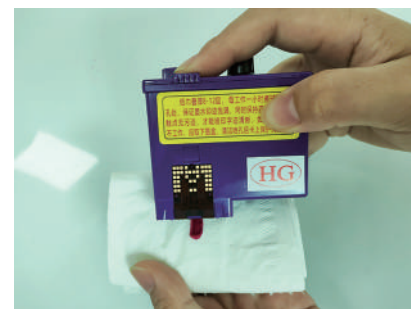

3. Take the print head cover off.

4. Remove the tape of print head.

5. Take a piece of tissue and put it against the print head.

6. Keep pressing until you see a complete ink rectangle on the tissue.
